**PETITION TO REVIVE ABANDONED
APPLICATION UNDER 37 CFR 1.137(B)**

Dear Sir:

This is a petition to revive the above-identified patent application under 37 CFR 1.137(b). A first Petition to Enter Amendment or Revive Abandoned Application was filed on August 2, 2004; however, applicant has neither received a response thereto, nor is there record of the Petition being processed by the U.S. Patent and Trademark Office.

As the attached Petition to Revive indicates, the application for patent was filed on March 19, 2001 and accorded Application No. 09/812,168. After several correspondences between the

undersigned and the U.S. Patent and Trademark Office, an Amendment was filed on May 24, 2004. Apparently a Notice of Non-Compliant Amendment was mailed by the U.S. Patent and Trademark Office on June 14, 2004. Counsel for applicant did not receive same until July 29, 2004, well past the one-month deadline prescribed by said Notice. Counsel for Applicant immediately prepared and filed a Petition to Enter Amendment or Revive Abandoned Application on August 2, 2004 (copy enclosed).

The next communication received from the U.S. Patent and Trademark Office was a Notice of Abandonment mailed October 6, 2006, citing applicant's failure to timely file a property reply to the Office letter mailed on June 14, 2004. Immediately upon receipt of this Notice of Abandonment, counsel for applicant prepared the instant Petition to Revive under 37 CFR 1.137(b). As a basis for this petition and the prior petition, applicant states that the delay was unintentional, and that the filing of this and the prior petition has not been intentionally delayed. As the above stated facts demonstrate, applicants have been diligent in checking on the status of this application. .

The Commissioner is authorized to charge Account No. 07-2162 to cover any costs associated with this Petition.

Respectfully submitted,
